

Biodiversa+ WS on biodiversity monitoring data interoperability and harmonisation

4th of November from 9.00am to 12.00pm CEST

Register: <https://us06web.zoom.us/meeting/register/tZcscOqopj4uHdN5rt9h8gDP8btwoRTRxifn>

Please note that this meeting will be recorded and shared on the Biodiversa+ Youtube channel.

9.00 – 9.15: Introduction and presentation of the objectives of the workshop

By Alberto Basset, MUR and Petteri Vihervaara, MoE_FI

9.15 – 9.35: Keynote speech on data interoperability and harmonisation for biodiversity

By Hanna Koivula, CSC – IT Center for Science

9.35 – 9.50: The “Meetnetten” Flemish webtool – data architecture and data workflows

By Dimitri Bossens, INBO

9.50 – 10.00: German NFDI4Biodiversity – data architecture and data workflows

By Barbara Ebert, managing coordinator of NFDI4Biodiversity

10.00 – 10.15: Q&A

10.15 – 10.20: Split in sub-groups

By Cécile Mandon, Biodiversa+ Officer, FRB

10.20 – 10.30 Break

10.30 – 11.25: Collaborative discussion session with a focus on (sub-)national scale.

In sub-groups. Participants will be invited to **join one of the below sub-group**:

- **Group 1: (meta)data standards** in biodiversity monitoring data interoperability & harmonisation.
- **Group 2: capacity building and knowledge sharing** in biodiversity monitoring data interoperability & harmonisation.
- **Group 3: governance** in biodiversity monitoring data interoperability & harmonisation.

11.25 – 11.35 Break

11.35 – 11.55: Plenary discussions on the outcomes of the sub-group discussions

11.55 – Conclusion and next steps

By Alberto Basset, MUR and Hilde Eggermont, Biodiversa+ Chair & Coordinator, BelSPO

End of meeting
