

BiodivERsA 2015 COFUND Call
Additional opportunities available to funded
projects

BiodivERsA: from programming to funding research and disseminating results

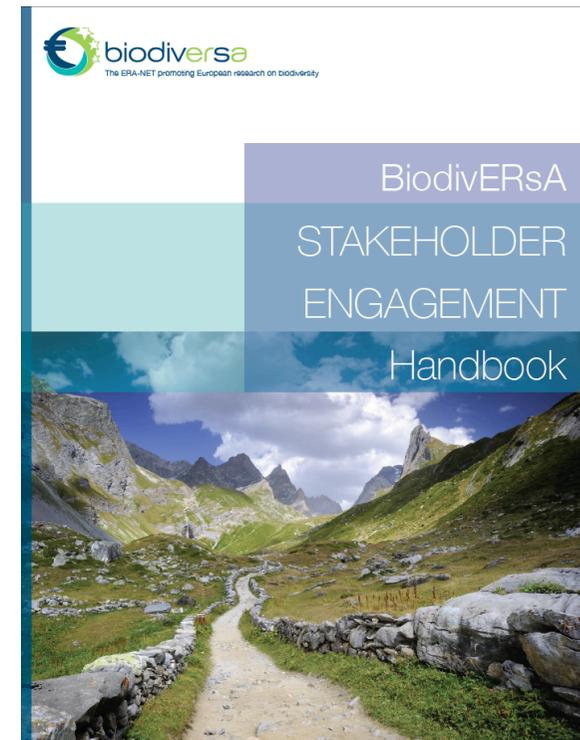

Involving stakeholders

Dedicated sub-committee for the selection of **policy relevance** and **societal impact** when evaluating project submitted to BiodivERsA joint calls, and further:

- **Follow up** on stakeholder engagement activities
- **Opportunities to foster links** with potentially new relevant stakeholders
 - Research/stakeholder workshops
 - KTTOs database
 - Mobility scheme
- **Support** in engaging stakeholders, e.g.
 - ⇒ Handbook with best practices for **stakeholder engagement** in research projects
 - ⇒ **Contacts** with stakeholder organisations

Evaluation of funded project outcomes and impacts

BiodivERsA 2008 joint call on "Biodiversity: linking scientific advancement to policy and practice"

- Academic productions
- International collaborations
- Stakeholder engagement
- Research products relevant to society
- Highlights from each project

Support to dissemination and results uptake

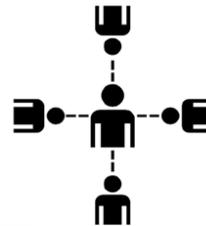

Opportunities to get **your research results disseminated**, e.g.

Feed into EU/international platforms

- Oppla
- ThinkNature
- IPBES
- ...

Development and dissemination of **policy briefs**, based on research results of funded projects

Focus on Oppla

The purpose of Oppla is simple:

to help you **collaborate,**
innovate and **communicate**

OpenNESS
Ecosystem services from concepts to real-world applications
As was stated in the OpenNESS proposal, the quantitative relationship between biodiversity, ecosystem functioning and ecosystem services is still poorly understood. It is still unclear under what circumstances an emphasis on ecosystem services in planning and decision making is (conceptually and

@BiodivERsA3 – www.biodiversa.org

The screenshot shows the BiodivERsA website homepage. At the top, there is a navigation bar with the logo, a search bar, and links for LOGIN, HOME, and CONTACT. Below this is a secondary menu with links for ABOUT US, EUROPEAN JOINT CALLS, NEWS, RESOURCES, and CONTACT US. The main content area features a large banner image of a tree in a landscape. Below the banner, there are several sections: a 'Welcome to BiodivERsA' section with introductory text and a 'Read more about BiodivERsA' link; a 'Newsletter' section with an 'Add me' button and a link to 'Read previous newsletters'; an 'Events' section with a blue box for 'Nature-Based Solutions: innovative potential for smart, sustainable & inclusive growth in Europe' and a white box for 'BiodivERsA2 Final conference on 2-3 October 2014'. On the left side, there is a 'NEWS' section with two articles: 'Two new Policy briefs published!' and 'BiodivERsA Stakeholder Engagement Handbook now available!'. A 'See all news' link is located at the bottom of the news section.

Welcome to BiodivERsA

Funded under the FP7 ERA-NET scheme (and from 2015 under the Horizon 2020 ERA-Net COFUND scheme), BiodivERsA is a network of national funding organisations promoting pan-European research that offers innovative opportunities for the conservation and sustainable management of biodiversity.
